# WE'VE SAVED A SEAT FOR YOU AT THE TABLE!

MILKWEED TABLE + MARKET IS A BOUTIQUE BRUNCH CAFE AND EVENT SPACE IN THE HEART OF HISTORIC PITMAN, NEW JERSEY.

An extensive renovation of the space was completed in the late summer of twenty-twenty one. The overall experience and food were created with a passion for all things brunch, influenced from extensive travel, and love for design.

Sisters-in-law, Elena and Alexandra Convery have created the ultimate brunch experience in Southern New Jersey.

Then menu was carefully crafted to include brunch staples as well as new, creative dishes.

With a bright interior and exterior delighted with personal touches and overall careful detail, Milkweed Table + Market is the perfect location to host your next event.

## INTERIOR + EXTERIOR CAPACITY

The interior seating capacity of the building is 40 guests and the exterior patio is 40-50 guests. This allows for a nice flow of mingling inside and outside. Some prefer to do a cocktail hour and photo opps outside and then move the party inside for dining.

Please note that the 40 interior seating maximum will decrease should you need tables and/or space dedicated for gifts, cakes, photo back drops, or anything other than guest seating. We find the most ideal number to be 36 guests.

It's important to note that any outdoor seating is weather dependent. We have a greenhouse style covering a large portion of the patio, but we do not supply tents or awnings should the weather not cooperate on your day. There are companies that provide fire rated tents for rent and all appropriate permits must be obtained from the Pitman Construction Office 856-589-2433.
